

Give More to Missions or Ministries without Giving More!

Now, you can support your favorite mission, missionary, or ministry without giving any more from your already tight giving budget. Since each of us has a limited amount of resources from which to give to ministries and missions that we have a desire to support, we have come up with a way which can help you stretch your giving dollars.

A WIDE WORLD OF TRAVEL is committed to missions.....

By purchasing your leisure travel through **A Wide World of Travel** your giving dollar stretches further. Here's how it works.

1. You decide to go on a **cruise** or **tour**.
2. You purchase it through **A Wide World of Travel**.
3. We return up to **40% of our commission** as a contribution to your favorite mission or ministry. (Any tour or cruise applies but we can give a greater amount when booked with GLOBUS / COSMOS Tours, Princess Cruises or Royal Caribbean Cruises. **Example:** \$2000 cruise. We get a \$200 commission. We rebate \$80 to your church, mission or ministry).

We believe we have a vital part in the Great Commission!

Jesus left us a commission which we are all familiar with before he left this earth. We are to "go into all the nations to preach the gospel and make disciples....beginning here in our Jerusalem and continuing into the uttermost parts of the earth. We want to be a part of this by making it easier for those that are called to go to be able to do so. Not all of us are called to "go" as missionaries but all of us can be "senders" by helping those who want to and are called to go. We believe that this is a great way to be a "sender" without giving one dime more. We believe God has called us and view this as our ministry. Our prices are the same if not better than every other agency since we all sell the same product and the sale prices are set by the cruise lines and tour companies...therefore we all have the same product.

Also, we are always looking for new group leaders..

**Lead...
Follow...
or Stay
Behind.**

We also have a number of tours and cruises that are set aside exclusively for **A Wide World of Travel**. We need tour leaders (or Pied Pipers as we call them), who can **host** these groups. If you are interested in leading one, this is another way to help raise funds for your favorite mission group and/or ministry. We have tours going to Europe, Africa, Asia, the Holy Land, So. America and even No. America. Give us a call and we will explain the procedures to you.
